The Santiago baseball season will soon be here. Our baseball program is fortunate to have two beautiful fields. As you can imagine the maintenance of both fields and the operation of three teams requires a substantial amount of finances. Santiago Baseball is looking for partners that will help provide us with financial support. In return for your donation to our club we will offer your organization advertising space on our outfield fence or our website. For the website option, your company logo and web address would be prominently displayed on the website. I would like to thank all of you for taking the time to consider this partnership. If you have any questions, please feel free to contact me.

Sincerely,
Jeremy Goldenetz
